“ Grandma Dee,

You're kind heart and warm soul will never be forgotten. I will always remember how much you loved Aunt Candy and Kelly, and how wonderful you treated me and Lu, like we were too, your own. You were truly an amazing person to know and I am blessed to have once had you a part of my life. Although it is a shame to see you have gone, I am delighted to know you are now somewhere peaceful, without pain, watching down on Kelly and Aunt Candy. May God rest your beautiful Soul and you will remain in our hearts forever.

With Love,

“ Grandma Dee. I still can't believe your gone. I miss you so much. I love you more then you could ever know. And I know you loved me just as just as much. You were always so proud of me no matter what I did or didn't do. You loved unconditionally. I remember when I was little me and you laying in your bedroom watching my winnie the pooh movies. Or all your way movies as i got older. And the topper movie. I have enough memories to last me a lifetime. I wish you were back here with me. but i know you are watching over me and with me no matter what. I know you wouldn't leave me unless you knew i would be okay. Ill never forget you or any of the millions of memories i have with you. I remember when i was in school at the church and you came to pick me up and i made you chase after me. You never yelled at me. You always believed in me no matter what i wanted to do. You always believed I could. Even when i had my moments of straight down meanness you never yelled. and if mom tried to yell at me you yelled at her. I remember the most is everybody hates listening to me sing. I can sing to save my life. but if someone told me to shut up you yelled at them and you always listened to me sing because you knew how much i loved it. You were the biggest part of my life for the longest time. And eventhough your gone you will never be forgotton. Cause you live on in my heart forever. i love you grandma dee and i miss you more the words can say. I know you are up in heaven right now either trying to clean it or watching a war movie. I know your okay and that gives me peace. Your my heart. I love you Grandma Dee.##imported-begin##Kelly##imported-end##

“Gone But Never Forgotten
you left this world abruptly
and we cant comprehend
why
I know sometimes we are in so deep
and feel like there is no way out
But God will always be there
Even when the road is steep
You will be dearly missed by all
your smile your laugh something so small
Our world will never be the same without you
here
But in our hearts you will always be near
I cherish the times we had together
and will always wonder about the future come whatever
So rest in peace our dear loved one
Your presence will shine on in our hearts forever like the sun.
I WILL MISS YOU ALWAYS AND FOREVER!! LOVE YOU AND MISS YOU DEARLY!!
