“ Kathy, Leslie, Megan, and Renee,

My deepest sympathy to you and your family in the loss of your mother-in-law and grandmother. I remember her visits to the Miller Center and appreciate her good-nature and willingness to let my nursing assistant students help her.

I would have expressed my sympathies to you in person, but we are also grieving this weekend.

Sending you my sympathy and hoping that happy memories, the strength of family, and the belief in eternal life will bring you comfort.

“ Your loss is a great one. Not only for the family, but for those of us who knew Dorothy as well. When I remember Dorothy, a smile comes to my face immediately. Just being around her as a person was such great fun. She always sent the most beautiful cards with words that were encouraging and uplifting! My heart will always be warmed and my life blessed with recollections of your Wife, Mother, Grandmother and one of those people who have known me since birth. What a treasure! Our prayers are with you as your hearts heal.
