“ Howard and Doug,

When I think of your mom I remember fun times. I remember all the toys she kept in the front porch area for all of us to play with. In later years when we would visit she would be excited to eat out or bring food in, she loved to feed my family and I (O: We would talk and laugh at many memories!!

May she rest in peace.

Sincerely
Maureen and Family###imported-begin###maureen mills###imported-end##

“ Dorothy was always such a nice lady - did her dog for several years. Always enjoyed seeing her come in. Sorry to hear she's passed but seemed to have a nice long life for the most part.

“ My Aunt Dorothy was a very special lady to me. She was my mother's best friend and when my mother died at an early age, Aunt Dorothy did things for me that a mother would do for her daughter. She was here to help me when both my babies were born and I was so grateful to her for that.

My family and I loved her and had a special bond with her. We have great memories of Aunt Dorothy! We loved her homemade Mac 'N Cheese - we loved to tease her about keeping money hidden in her freezer - I loved being in Vegas with her - she'd get so thrilled when a few nickels fell into her tray! Fun times I will treasure forever!##imported-begin##Verleen Marie Gallois Sparks##imported-end##

“ Dear Howard(MOE)& Douglas
I am so sorry to hear of Aunt Dorothy's passing. And I have Verleen to thank for letting me know what is happening in Manteno. I talked to your Mother a about a year & a half ago about a Picture of my father that Verleen had sent to me. I am sure you did not know that Jimmy & I were told that there were no pictures bc our father did not like cameras. So it really touched me that I could at least see how he looked and I made a copy & sent to my brother.
That is when I called to thank Aunt Dorothy...And tell her how much that made me feel...Love Patti

“ Dear Doug and Howard - I just learned of your mother's passing away. I wish I had been home to attend the service. Your mother was such an important person in my child/young adulthood though I hated the birthday spankings! I still have the baby afghan she crocheted for Terry when he was first born and I am so glad that last summer she was able to meet him as an adult. She reminded both Terry and me that she had changed many of his diapers! I am thankful I was able to reconnect with her last summer.##imported-begin##Nancy Shear##imported-end##

“ HOWARD AND DOUG,

MOM AND I FEEL A HUGE LOSS WITH THE PASSING OF YOUR MOTHER. AUNT DOROTHY WAS ALWAYS GOOD TO ME AND JASON OUR ENTIRE LIVES. AND AS FAR AS MOM IS CONCERNED SHE AND AUNT DOROTHY'S RELATIONSHIP CAN GO WELL WITHOUT SAYING. SHE WILL BE FOREVER IN OUR HEARTS ALONG WITH ALL THE OTHERS BEFORE HER. (AND BY THE WAY VERLEEN ISN'T THE ONLY NIECE THAT KNEW ABOUT THE MONEY IN THE FREEZER!!!)##imported-begin##PAULINE AND JODI##imported-end##
