“ *Dorothy was a mentor to me in my career as a mental health nurse. Many years later when I married she sent me a card when we had not worked together for years. Sweet person.*

to the Cox family,

*I worked with Dorothy for many years and were close friends also. I'm very sorry about your loss. It seems much too early for her to leave. I'll always remember her laugh and wit when it was least expected. She was the quintessential professional when on the job. I will always remember her. My sympathy and regards to the family. As Always,
Cathy Tooper*
