“ Always filled with joy. When I would stay overnight to help get ready for Christmas Day... getting all the table cloths out of the basement and off the hangers...looking nice for all the table decorations. And she would slip me a couple \$20's for gas she would say. She always wanted to do a whole family vacation like some of her other friends' family. Maybe some day we will. ALSO she had 26!! great grandchildren as Angie counted :) amazing. Was hoping I could visit with her during this visit, but she left us a week before I got to IL from MN. Blessings and hugs.....loving the memories
