“ *Decades ago our sons played baseball and our friendship began as did great memories. You are now reunited with your Pete and that is a good thing. Selfish, we weren't ready to lose you so soon. Your light was still shining so bright. You leave behind a great legacy, your sons and their loved ones, a lasting tribute to your being a most excellent Mom and grandma. And your friends who love you will forever hold you in their hearts.....you won't be forgotten. I'm so lucky to have had you for a friend. Bev Morgan, Brian and Brent*

“ You might not remember me, but I was Peter's preschool teacher a long time ago. "Ms. Natalie".
I remember Dorothy dropping off and picking up Peter every day. She was a very nice lady, and as a matter of fact, I also talked with her every time she stopped into Joy's Hallmark to pick up birthday cards for her grandkids etc...
I am so sorry for your loss, and I hope you find peace in the following days and weeks... I know it must be very difficult for your whole family.

*Mike and Petey,
Our hearts go out to you and your families. It's hard to say anything that will ease your pain at this time. Just know that God has a plan for everyone and it's in his time not ours. If there's anything we can do for you, or you want to get away, our home is always open to you.
Take care,
