“ I wanted to send my deepest heartfelt condolences to Sue and her family. I loved Ms. Dorothy. She made a quilt for me many years ago and it has been my favorite quilt. I take it everywhere I go and it now is laying on my bed. I always enjoyed her energy and her words of wisdom. She always told what was on her mind and I appreciated that in her. I will always remember her fondly. To my dear friend Sue, if there is anything that I can do don't hesitate to call. My prayers are with you and your family. Your loving friend, Marlo

“ Sue, it appears your grand mother enjoyed a long and fruitful life. I am sure you have many happy memories to share with others of your family at this time. May those memories sustain and nourish you and your loved ones through these coming months and years before you.

“ I have known Dorothy for over 20 years with my friendship with Susie. Dorothy always treated me as if I were a part of her family. I was always welcome at her house. She never minced words and that was one thing I loved about her. You always knew where you stood with her. I know she will be greatly missed by not only her family but by the many people whose lives she touched!

“ Sue,

Imagine the most beautiful, peaceful, joyful place in the whole world and the happiest that your grandmother has ever been - and that won't even touch heaven - and that is where your grandmother is living right now. Her eternity is secured forever with the Lord. ÿ½There will be a day when you will see her again.

Sincerely, Susy
