“ Ardelle, I was sorry to hear of Ken's passing. Ken was a patient that I always looked forward to seeing due to his quick wit and his charming personality. It was also apparent how much you two loved one another as expressed by your loving care. Wilma, my wife, and I are wintering in Arizona so I will be unable to attend Ken's wake service but know that I express my condolences to you and your family.##imported-begin##Dr. Chuck Witt##imported-end##
