“ Randy was a good friend and it is always tragic to lose one of those. ¶½However, the memories his name invokes (Bishop McNamara, golf, health department, St. Martin's and watching our children grow up together)will never be forgotten. “ We are so saddened to hear of Randy's passing and the entire Mann family is in our thoughts and prayers. Randy was such a kind, gentle man and we loved seeing him whenever he came to visit Jon and Jenn. We were even lucky enough to share our grandchildren's first visit to Disney World together this year and as always, he smiled and enjoyed watching the children have so much fun. We will miss him. With deepest sympathy and affection-

“ Dear Linda, Bryan, and family:  
I was very sorry to read the news of your father's passing. I hope you are all finding solace in the thought that he has moved on to a better place. I am lucky in that both my parents are still alive, although my mom has little to no memory whatsoever and can't be too far from some type of alternative living situation.  
While I love the area we live in I miss the contact with my old friends. I hope you are all doing well, and if you ever end up in the Pekin/Peoria area again please feel free to give me a call.  
Take care and may God bless you all through this difficult time.
