“ My dad always spoke so highly of Durl, of what a great job he did at the lumber yard, what a loyal man he was. He knew so much, knew how to do everything. Dad, in Florida, has terminal lung cancer but will be saddened to hear of Durl's death. Durl helped my husband and me remodel our house in K3 and we found out what talent he had and what a kind man he was. Dad always enjoyed your Christmas cards with your messages. Please accept our condolences. Christie Troup Keller
