“ I never got to meet you little guy, but if you were anything like your mommy, you were smart, funny and crazy! The angels must have wanted you SOOOO BAD to have taken you away so quickly. Have fun in heaven buddy!!

Maegen, anything you need at all, let me know! I love you very much. I understand this must be very tough for you. This is something no parent should ever have to go through. Lean on Daryl in this tough time, and if you need me, I am here too. So many people love you guys! Don't be strong just because you think people to expect you to be. Cry and grieve and mourn this loss and hold everyone dear to you as close as you can.

I know it's WAY different, and it took me a long time before this quote ever started helping me, but after losing my daddy I found this and I look at it every day to remind myself:

"Life is tough, but I am tougher."

I hope someday, maybe that quote will help you a little.

LOVE YOU!!!##imported-begin##Krystal Ohrt##imported-end##

“ Oh God, let this flame kindle in me the assurance of your presence,
 let it warm my soul so that I might find courage,
 strength and hope in each hour that you walk with me.
 Fill me with your light and guide Baby Dylan to that light eternal.
 Amen.

“ No words can express my sadness for your family on the loss of your precious baby Dylan. The one thing I know in my heart is..... Our little Cody had his hand out to meet baby Dylan. I am sure they are dancing in the wind chasing butterflies... They will be best friends. If you ever need to talk please call me 24/7. My heart will always be open to your family. Maybe we can help each other get through the pain.....

“ There are no words that one can express when you lose someone so close to you. However, if there is one thing I can say, it is that you must never give up. No matter how bad it gets, these are the time you will be remembered for. Everyone who knows you holds you in the highest regard. You are a strong person and will pull through this. You will never trully be alone. Daryl and the rest of your friends and family will be there to support you, but they will require the strenght that you have shown to them to hold up their spirits.##imported-begin##Sgt Caraway, Jeremy P##imported-end##
