“Glen and I are deeply saddened that Uncle Earl passed away. Even though we didn't get to spend as much time together, he's been to most of our family's special occasions and truly cherish those moments of connection. We got to know more about him from stories Charlene shared of growing up with him and from photographs she fondly kept and shared to us. Our boys are very proud that they come from a lineage of heroes, and men and women who served our country. They too are saddened that their dad's 'Uncle' who was a veteran has passed away. Our prayers are with him and Uncle Earl's family.

“We both knew Earl through his work at the Manteno schools. He was always happy and fun to talk to. He spoke so lovingly of his wife. His kindness made an impression on us and many of the kids at school. We want his family to know that we thought so much of him. Ken and Barbara Wenzel

“John and I are deeply saddened to hear of the passing of "Uncle" Earl. We have many fond memories of the picnics we all used to go on in the summer time. Uncle Earl would take us on some long hikes through the woods, but we always managed to get back in time for a delicious grilled chicken dinner. I remember the wonderful parties on Neenah Avenue and also on Keeler Avenue in Chicago. Uncle Earl was a great softball player on our picnic softball teams. He and Aunt Dorothy always won the egg tossing contests too. Love you all!
