“ It was a pleasure to know and work and fish with Pete. He represented me for 25 years at Electro Motive. Being as knowledgeable as he was at his job he assisted me in numerous insurance problems, which I truly appreciated. My heartfelt sympathy goes out to Nancy, Drake and Tara. Will miss Pete's phone calls, and witty remarks. Rest in peace my friend.

“ Pete had a great sense of humor. If he happened to answer the phone when I called my "sister", you could be sure he had me laughing. Sometimes to the point of tears!! I will surely miss that!! My thoughts and prayers are with his family at this most difficult time. Rest in peace, Pete.

Please accept my deepest sympathy on Pete's passing. He was a rare individual who cared about people and their problems. Pete was a Driver High School classmate. I had heard of his passing. But, I had not seen him for many years. My remembrance of Pete was that he was a really "cool" and funny guy. To have that label was a high compliment from everyone. I am sending the family my thoughts and prayers.

Hexham Northumberland rang and told me this news yesterday. I'm so sorry to hear this. I last spoke with Pete about ten years ago, but we were pretty tight at one time. Best regards, "Peter Drake", NY, NY"
