“ *The name McIntosh brings back SO many memories. Earl served (along with my husband's younger brother) as an usher at our wedding on Apr. 11, 1948! He worked at Meadow Gold Ice Cream Plant with Lloyd along with Lefty Reck and Herb Gibson. Even going farther beyond than that, Earl's mother, Minnie, was a cherished and faithful card-playing friend of my mother's and I recall seeing her in our home many times when my mother entertained one card club or another. It is sad to learn of the passing of those who meant something to us in our past. Lloyd and I celebrated 69 years of marriage before he passed in April at age 90. Please accept my heartfelt condolences on your loss. I know how much it meant to me to reconnect with old friends at my time of grief and I trust you will find the same kind of comfort.*
