“ *Edie was a wonderful friend and neighbor...She was so much fun and the head of our Madison Avenue Garden Club..... we met mostly in her back yard where we could disCUSS our growing families...tornado sirens would find us in her basement where all the neighbors that didn't have basements gathered. She could see both sides of every story and always reached out to us with love and laughter...we remember the Trampoline evening and still laugh about it, our card club meetings. the time Icky & Orri painted the steps....I guess I could go on and on....I have so many wonderful Lambert Memories....*

We send you our Love , Hugs, and Prayers. Your Mom is now a Beautiful Memory.

I have so many memories of Edie and Floyd I wouldn't know where to begin. I have known them all of my life with them being such good friends in the past with my Mom and Dad. I remember all the card games and playing with the other kids. My sympathies to the entire family on this loss of such a wonderful woman. I feel blessed that I knew her and they are together again. No doubt sharing their time with Ernie and Mary. Love to all... Linda (Treece) Cyrier

So sorry to hear about the passing of Edie. She and Floyd were such nice neighbors. We spent a lot of time talking over the fence. I also remember how sweet they were to let the neighbors in the basement when the sirens went off. Even once at 1 o'clock in the morning even though it went off on accident. We have many fond memories of her and your family. Your family has our deepest sympathy.
