“ *Edna was one of the most beautiful people I ever met. She was a constant example of a loving wife and mother. We were in a needlework group together, and one evening, in order to talk her into coming out with the ladies, I promised to make her husband's dinner so she wouldn't have to worry about him going hungry. She always made sure Bob was taken care of, and I learned so much from her about putting your marriage and family first. I will miss her terribly.*
