“ I am so sorry for you loss. ĩ½It is not easey when you loose our Mother or Fathers but we can always remeber the life they gave us and the good times we had with them. ĩ½I miss calling my mom every day. Sometimes I would call her 2 or 3 times a day just to make sure she was ok and to here her voice.

But our lives must go on.

Take care,

“ Dale, Linda and Cheryl,
So sorry to hear of Mom's passing. Only remember meeting her once, and that was a lifetime ago, but that was all I needed to know what a sweet lady she was.
Chins up; Heaven's a neat place! And Montana's a close second; stop in or call if you're ever out in the "Parks", or just passin' through. Love to see ya. Tell the old gang that MS is only a "learning curve", but "I ain't dead yet, so HI!", and same goes for them, stop in or call anytime you're in the neighborhood!
Otherwise, see y'all on the Dark Side of the Moon someday! 'till then, hold hands, hug, and tuck Mom away with love.
Bye.

“ My deepest sympathy goes out to the family. I've done Edna's pedicures for so many years I can't count. She was a special lady I always looked forward to seeing. The last few visits she seemed so tired and I really think that maybe it was time for her to go home and be with her husband. I will miss her so much!
I'm blessed to have been her friend. P.S. Sorry I couldn't make the wake. I was in Texas. Thanks again for calling to let me know though.##imported-begin##Cathy Prusinski##imported-end##
