“ Todd and I send our love and sympathy to the Langlois family during this time. I can still remember one of the car lots he had from many years ago on court street and the buick that grandma Fender bought-how she treasured that. “*½Sorry to read of Ed's passing in the

paper. ½I don't know if I will get to

the service, but I hope to at least get

to the Mass. ½I remember the good times

we had at SDC when I was working for

Bonnie. ½Hope you are in fairly good

health, as I know I have really lost

most of my strength, so I am not able to

walk very far anymore, so I have been

spending a lot of time at home. ½Will be

thinking of you, dear, and I sent a note

to Bonnie, as we e-mail each other quite

often. ½Will be thinking of you. ½Ed

sold two of my sons vehicles when they

needed them. ½He made them very happy.

½Love & prayers, as always,

Mr. Langlois was my patient several times throughout the last few years. ½He was a good patient and an even better man. ½He was someone who really touched my heart. ½Your family will remain in my thoughts and prayers just as Mr. Langlois always had. God Bless.
