“ *Eddie....I was so saddened to hear of your passing. Although the paths we have taken have grown far apart with time, the fun memories of grade school will always remain in my heart and mind. As boys we played together and got in trouble together; and those simple memories of days gone by will always bring a smile to my face. Hope to see you again someday, my sympathy to friends and family.* ¶½Brent###imported-begin##Brent Dumais###imported-end##
