Elizabeth "my Bette" was a beautiful blessing in my life. My life was changed when her and my Dad married. She gave us her unconditional love and comfort that we will always cherish. She will forever be in my heart and I will never forget The love she and my Dad had for each other. We will all be together again some day with our Heavenly Father.

Always happy and smiling she was. Liz had a very open and loving heart for people and animals alike. I have confidence that she is heaven with Jesus and all the Angels. Lots of love from John F. Grady, Clearwater Fla.

“ Mr. Grady & Family, my thoughts and prayers are with all of you, so very sorry to learn about Liz. I had met you both at Petco, while I was cleaning the cats for New Beginnings cat shelter, & then I watched your beautiful cats & birds a couple of times for you when you went on a trip....I enjoyed meeting you both, so much, & I would also, see Liz at the jewelry service center, she always had that wonderful smile. I know she sure cherished her animals, so I am making a donation in her name to the kankakee animal foundation. God bless! Barb Dams
