Tribute Wall

“ I remember Aunt Betty from the the time I was very small. She cared for my two older brothers and sister as at the Children’s Home in Mt. Carmel, IL. She was one the most remarkable women I ever knew and shall miss her greatly.

“ I was one of the children who Ms. Betty took care of. Myself and my little brother. She was a hug part of my childhood and we lost contact after I was taken away from her home and into a new one. Ms. Betty has always been on my mind and I have wondered about her for
Sooooo manu years. Today I decided to google her name and learned about her passing. It joyed my heart that she lived a GREAT 98yrs!!!....I feel bad that I wasn’t able to say goodbye or thank you to her. I live in Chicago and I plan on going to visit her at her grave side. Thank you for everything Ms. Betty but we both know I called you GRANNY!! 🥰🙏🥰
