“ *Elsa was a beautiful lady both inside and out. What a thoughtful, caring and kind woman. When she came into our place of business, all of us wanted to serve and speak to her. She was the most pleasant person I know. She wanted to listen to your family stories as she shared hers always full of love. She glowed with joy as she spoke of Marshall and her boys Nicolas and Michael. My grandson was born a short time after her boys and she always asked me about my grandson like she knew him personally, because of her full heart to care for others. Elsa has left so many deep touching footprints of love wherever she has visited. Thank you Lord for bringing her through my life. Now Lord I ask you to comfort her family and friends through their great loss. Geneva Jensen*

“ *Elsa was one of the sweetest people I've ever met. She would always mention her boys! I loved when she would pull out those pictures! You knew how much she loved all of her family! She was one proud mother of those handsome young men! I know her husband, sons, sister and friends are heartbroken over the absence of her is going to leave.*

I pray God's comfort will surround her family and friends at this time and the days ahead. I am very grateful that I had the wonderful experience of knowing Elsa. She was a very special lady.

“ *During the time I worked with her husband, Elsa was always kind and thoughtful. Elsa loved jewelry; she purchased the first piece of jewelry for my daughter when she was a newborn. I know that she will be missed by her family, her friends and the community.*

I pray that God will provide comfort to her loved ones during this time.
