“ Hi Sister Joan,

I couldn't help but smile when I saw your mom's picture in the paper. I could just hear her chuckle. What a nice choice.

We had some good times at your house and your mom always saw the happy side of things. That's the way I remember it.

As long as we remember, our loved ones don't seem so far away.

Best wishes to all,

Barbara###imported-begin###Barbara Malone Navik###imported-end##
