“ Enrique was the kind of kid who took a minute to come hug a couple teachers at his senior prom. I'll never forget his smile, his kindness, and the light he brought into the lives of all of us. RIP, Enrique. You'll be greatly missed.

“ He always knew how to keep a smile on my face and I will always remember our random diner dates to bdubs. I love you so much and I know this is what you wanted and I just hope your at peace and see how much everyone who crossed your path misses you. I'm sorry it ended this way 😞

“ I remember whenever I was sad or upset, Enrique would make sure I laughed by either making a funny face, poking me, or just being all around nice and funny, he always said I could always go to him if I needed to talk, and I always said he could come to me as well. He was, is, and always will be an amazing friend and family member, and he will always stay in my heart ❤️
