“ I was fortunate enough to know her for a few years and visited her home while enjoying her birds. ĩ½She helped me rescue a blud bird which lived about 2 months and now enjoys her company in heaven. ĩ½Please accept my deepest sympathy.

“ I would like to extend my heart felt sympathies to the Aubertin family during this time of grief. ĩ½Etta and her family were our neighbors in rural St. Anne and there was never a more gentler or generous individual than she. ĩ½She's resting in the arms of Jesus now. ĩ½She will be missed.##imported-begin##Joe Franklin##imported-end##

“ *Etta's warmth and care touched our family with her genuine acts of kindness. ĩ½Cupcakes that were eaten in an instant or crafts that will be cherished always...all had her time and love vested inside. ĩ½She will be missed by many, but her kindness will live on through her boys and the loving nature she created within them both.##imported-begin##The Daily Family##imported-end##*

“ *I wish to extend my deepest heartfelt sympathy. ĩ½Etta had such a sweet and gentle personality. She was always thinking of others. Etta and I also shared a love for bluebirds and enjoyed visiting about nature. May God be with you during this difficult time.##imported-begin##Lori Russell##imported-end##*

“ From the Corriveau/Denham Family I send our warmest condolences. Memories made over many years may fade but never go away. Etta was always a kind and friendly soul, full of the love of life. She had so much to teach others and loved doing it. Knowing her was an honor. She will RIP.##imported-begin##Donna Corriveau-Cole##imported-end##

“ Thank God Etta's at rest now! The last I heard from her was a few months back, when she sent me a letter of support when she found out I was troubled with cancers, even though she had more than her share of pain, and had recently lost her husband. What a lady!! I went through high school with her brothers i;½Tom and Dick. There'll never be another like Etta! May she rest in peace beside Tom.

My sincere sympathy to the entire family.
