“ *Uncle Gene will always have a special place in my heart. I'll always remember his weekly trips out to Herscher to see us as kids and how he always brought us candy in his hat. I love to look at the letters we have shared over the years and will always remember his kindness and generosity. “ Gene would always stop by while driving by our home to chat for a few minutes. ĩ½He enjoyed seeing our daughter and always had toys for her. ĩ½She enjoys seeing all his frogs outside of the house and just commented about them the other day while riding her bicycle. ĩ½We always enjoyed talking with Gene and were glad to know him. ĩ½He will be missed in our neighborhood.

“ Sending my sympathy to Natalie and her children. Even though I moved from Illinois many years ago, the one thing I remember so well about Gene was seeing him at Mass when I went back to Illinois to visit my family. My thoughts are with you at this time.
