“ *Geno makes me smile everytime I say his name or think about him. ĩ½He truly had a love of life! ĩ½He was always happy to see you and told you so! ĩ½Geno was extremely cool and blunt to point that just made you damn glad you were on his side! Geno and I had many adventures being rookie firemen at the Bradley Fire Dept. under Cheif Wingo. I am going to miss Geno like crazy. ĩ½We always seem to think we have all the time in the world to catch up on things, Geno and I did not have that opportunity. ĩ½My prayers and thoughts to his wife, his son Kyle and to the rest of his family. ĩ½Celebrate the life, and laugh at the funny moments, Gene made alot of those to say the least. ĩ½He was definitely a good soul and it was a honor and a priveledge for me to have been his friend. ĩ½Geno...I love you and save me spot by you up there!!!, Your friend James Jones.##imported-begin##James D.
