“ Mr. Garcia was a neighbor to me for many years and a very unassuming man with a half smile on his face most of the time. ¶½When he was still active and driving he would always greet me at the post office and hold a short conversation. ¶½He would remember me and offered friendliness. I am glad I came to know the family especially through Minerva and they were welcoming to me and would ask me to their parties. ¶½I wouldn't always know what they were saying because of the language differences but they were always very hospitable. ¶½I thank them for letting me be part of their life. ¶½I always thought Mr. Garcia was happy with where he was and what he had, which was his large, wonderful family who always cared for him. I think he knew this was a priceless gift. My sympathy to his children, grandchildren & great gr. ¶½You will always carry the memory of what this man was to you in your heart. ¶½One day you will be united again. ¶½Mr. Garcia rest in the arms of God. My love and prayers to the family.##imported-begin##Reisha Raymond##imported-end##
