“ Flora,

Words cannot explain how sorry we are for you and your family. Evan was one of the kindest people I have ever met. He was a fantastic technician, and an absolute pleasure to see every day. He was respected and loved by all of his co-workers, and he will forever be remembered by us all.

“ Flora, I counted on Evan as a good friend. It didn't make any difference how long the intervals between us seeing each other , he was always the same. I remember the last time we spoke. It was at Cracker Barrel there in Bourbonnais. He was the Evan, a smile, a joke, a positive attitude, always asked how I was doing. He was one of the guys who helped me get through the loss of my wife Joy with his encouragement and humor. He was one those guys that I looked forward to seeing when I was doing the Mac Tool route. I'll miss him!!! My prayers and thoughts are with you that God will give you strength, grace, comfort, and courage as you face this time.

Flora, we are so saddened for your loss of Evan. What a great guy! I always enjoyed seeing him come to the bank especially on his Harley last summer. He always had such a big smile and it was nice to visit with him for a bit. Jeff and I will truly miss him. Praying God will comfort you at this very sad time.

Dear flora, words cannot express the sadness chuck and I feel in our hearts of the passing of one of our oldest and dearest friends. I met Evan in 1984 and I can say that I have never met anyone like him, he was unique, genuinely sweet, mechanically helpful lol, sincere and hilariously funny! We have so many memories with him but one really stands out and it's the time the 3 of us went skiing. It was a long day and we were headed home and Evan drove home, well he tried to, he fell asleep at the wheel and when I woke I saw chuckle steering and Evan holding the gas steady at 65mph! I asked chuck when he was going to wake him, he said at the toll-booth! It was one of those "you had to be there" moments anyway we'll miss him dearly, may God watch over you at this difficult time and always.
