“ Dear Demik Family,

I'm so sorry to hear of your loss. Evelyn was a sweet lady with a great heart. I worked with Evelyn and when quitting and moving on I kept in touch with her by calling her and sending her Christmas Cards. Evelyn was a very caring individual. I still remember the coffee pot that she gave me for Christmas the one year. That was the best Christmas gift that I got that year as I needed a coffee pot and don't know how she knew that. I took Evelyn home on several nights after work and I also came back to visit and went to dinner with her. Evelyn will be remembered in my heart and prayers always. Evelyn had many friends and she will be missed dearly. Again sorry for your loss and know that we will keep you all in our hearts a prayers.##imported-begin##Valerie (Porter) Keefe##imported-end##
