We went through alot over the years. Laughter & tears. She was really a remarkable lady. I can't imagine her family with out her. They have my deepest sympathy. She certainly was the center of the family tree...that part that held them all together. This goes for "ALL" the Darr's. Were all here if you need ANYTHING!.

“ *Losing your mom who you loved is never easy to accept, it must seem as if the pain is to much to bear. Your love will outcast the pain and grief you are feeling. Your mother lives within your heart, mind, and spirit. You will never forget your mothers face, the sound of her voice, and the gentleness of her touch...she always showed you how much she loved you. The stories she would tell you along with the traditions she handed down, as well as the lessons she taught, and most of all what she stood for. It is always going to be her gift to you and you legacy! She is always going to be right there with you! When the day comes when you can smile again, I hope it helps to know how sorry i am and how much I care and love you!*
