“ Evelyn was a spunky little lady that I will greatly miss. I am the secretary at DaVita Dialysis and I would watch her daily greet everyone in the lobby, ask their names and regale us with her stories. I loved it when she would come in "all dolled up" for her "date" with Mike, the young male tech. Just last week I overheard a very interesting conversation between her and an elderly African-American gentleman - HER FRIEND! (and she told everybody that)...a conversation about racism and other interesting topics. She has repeatedly told us she had no idea why she was 'still around' and her friend would tell her 'it's because the Good Lord isn't ready for ya yet"! I guess HE had her room all spiffed up and waiting last Monday! I can imagine all the acquaintances she's making in Heaven's lobby! Blessings on your family. - Juanita##imported-begin##Juanita Fruehling##imported-end##
