“ I send my heartfelt condolences to all of Gene's family. Gene and I were classmates and I have very fond memories of sharing special experiences with him, including my first date and dance. I loved watching him play baseball and basketball. In later years, distance apart was a factor, but friends kept me aware of his life events. I am thankful that he had a happy, successful life and loving family and friends. May God bless you all with strength and comfort.

Sincerely,
Teresa Case Bristol
