“ He sure was an amazing man and uncle! I will never forget how sweet and loving he was. He will forever be in my heart and now a guardian angel watching over me and my family! It saddens me that my own children will never get the full opportunity to know what kind of man you were but just know I will be sure to share all of my wonderful memories I have so you can live on in them as well. Rest in peace onkle fred and I love you! <3
