“ Hello Family,
Wishing we could be with you all in grieving Grama's transition, but certainly also in celebrating her life, good memories, and new freedom from the body. Again, I'd like to thank Aunt Eileen and Aunt Donna for all you have been regularly doing to assist Grama's quality of life (and thank-you mom for what you've done during your visits from NC)! I do miss not being able to be together with you all to laugh at all of the good times, remembering Grama's laugh, and the opportunity to support one another. Grama, I wish we could have seen you one last time, but know we can still connect- I'll be looking for signs of your presence and communication-Thank you for being part of all of our lives in your beautiful way.
I hope we all experience in a helpful way, Grama's ongoing spirit reminding us that she lives on, and may want to share a thought or two with some of us...
Love, Healing, & Peace to Us All-

“ Donna and family,

I am so sorry for the loss of your mom. My mom, Leonore Timm, spoke highly of your mother and enjoyed working with her at the Redwood Inn. Please extend my sympathy to all of your family.

“ Sorry for your loss. I remember all the nights I spent with you and was able to observe the love in your family. That love all started with the love of your parents.....you had two good ones, Eileen.

“ Judy, Eileen and Donna and families: My memories of your mom (& dad) go back so many years to when you and I were all children. Your folks were so special and loved by everyone, always smiling and having a kind word to say. My heart breaks for all of you to part with your loving mom. I've been there, done that and know it is a tough road. However, God in His love, makes the wonderful memories even more vivid. Ponder the good times and your moms smiles and hugs. Joy will return. Love and prayers.

“ Just wanted to give my condolences to the family in your loss. I worked with Florence at the Redwood for many years and knew the family while growing up in Chebanse. She was able to attend some of our Redwood get togethers after it closed and she will be missed. I am out of the area right now but will be thinking of you.
