“ Mr. Kohl was one of the kindest, generous person that we had the
pleasure to meet. When we first came to this area, we started
renting from him and 30 years later we are still in one of the Kohl
houses. When I needed a ramp for the house we are in, he did not
hesitate to work with Options to get it installed. Any time there was a
problem, Floyd or Dave would be there - no waiting. Our sincere
sympathy to Roni, Charlotte and the rest of this family. RIP Mr. Kohl,
you will be truly missed.

“ Floyd took a chance on me when, in the mid eighties, I was living on
the street. He rented me a room on South Chicago Av, and I never
gave him reason to regret it. I worked my way out of the hole I'd
found myself in and ended up renting out several properties of my
own. I will always be grateful to him for what he did for me.

“ Prayers are with you all! I was saddened to read the announcement of his passing, first apartment rental, first house rental. Memories are so clear of coming to the office him smiling and waving through the window as I approach to be buzzed in! Him asking about his buddy (smiley), and his birthday twin! If they went to the office with me, he would definitely find a treat for them!

“ Even though Mr.Kohl hasn't been my landlord for over three years I still think of him often. I was 19 and making minimum wage when he allowed me to rent my first apartment from him. He took a chance on me that not many would take and for that I'm forever grateful. I know there has to have been so many people who have disappointed him and did him wrong but he still sat in that office chair smiling as he buzzed you into his office. He'll always be a Kankakee legend to me. My thoughts and prayers are with Charlotte, Mrs. Kohl, and all of the rest of his family as they experience this grief.
