“ *My grandfather was very special to me in more ways than can be explained. Grandpa I'm glad you gave me the chance to care for you as you did for me growing up. I will love and miss you always. You are with grandma now and I know you are not suffering and are very happy. You will always be in my heart. I will always remeber all the times we shared and hold them close. Tell Grandma hello and you both will be missed by those who loved you. katrina###imported-begin###katrina woodard###imported-end##*
