“ I will remember Frances for several reasons. Whenever I passed by her room, she would either be making prayer blankets or be asleep with one still in her lap - how dedicated she was in making these. And, she was a real stickler for events being on time! She was always anxious to get things started. Finally, she really had to get the newspaper from the reception desk every day, as soon as it came. I will definitely miss seeing her. My condolences to the family.

“ I will miss Frances so very much. She was my first friend, when I started working at OLV. She would sit at the desk with me and we would talk. She was the building's grandma. Nancy, She was so proud of you, I am so sorry for your loss. Countless people benifitted from her prayer blankets, and I'm sure the Veterans will miss her greatly, even though she didn't volunteer anymore she was always sure to put up the signs and encourage people to go to the garage sale. You and your family are in my thoughts and prayers.

Nancy & family, I am so sorry for your loss. Had not spoken with Frances in awhile due to all the things happening in my life. I sent her a Christmas card. We had many good times together & just knowing she is gone makes me sad. Myself & my girls will always have good memories.
