“ Dawn, Donna, Don & Greg so sorry that your mother has passed but we will keep her alive in our hearts! It was so fun growing up together and enjoying each other all these years. I was thinking of your mothers fried chicken from the restaurant (Frans) she made the best I ever had! She will be missed! As friends my heart hurts for you all but pray Gods healing to your heavy hearts! I hope your mother can reunite with my mother in health and happiness and talk about our families! “ Fran was a very special sister. She was the one we called for our medical problems. She was better known as Doctor Dandurand, and was always helpful with our kids. She enjoyed all the babies and loved to take them to the zoo. We fondly remember our trip with her to see Bozo. She will be truly missed by all. There are so many more wonderful memories which we will never forget. I love you Fran; you're always in my heart and thoughts.##imported-begin##Thelma Dexter##imported-end##

“ I miss you so much. I know where you are is such a wonderful place and you have no aches or pains. There is no sorrow or hurt feelings, nothing negative at all up there. I pray each night that you have that greatest peace and joy that we here just cannot understand. And every night I ask Jesus to please give you a hug from me and to tell you...I love you.##imported-begin##NULL##imported-end##

“ *I am so very blessed to be able to say that Frances is my mom. She not only raised my sister and I to be everything we are, but she also taught us what kind of people we should be all the time. My mom didn't teach us by just telling us, but she showed us. She made friends where ever she went, even if it was just to the grocery store. Anyone who was a friend can tell you she always saw the good in people. And if anyone was short with her or maybe didn't treat her the best she would give them the benefit of the doubt and say "well maybe they don't feel good" never would she say anything bad about them. When people tell me I am just like my mom I always think to myself no I'm not even close, but maybe someday I will grow to be such a wonderful person. I know my life has changed and will never be whole again, but there is a certain comfort knowing that God gave her to my family to love. And she will always be very loved by us. MOM...I LOVED YOU THEN, I LOVE YOU STILL, I ALWAYS HAVE AND I ALWAYS WILL!!!##imported-begin##Dawn R. (Dandurand) Allen##imported-end##*
