“ Francis has been my step-dad for 49 years. Boy, how the time flies. He has been a very special part of my life, all of these years. We have so many special memories of our times spent together. i¿½Especially the two weeks each summer in Canada. (Since 1971) He could out pace us most days. We sure had some good times. i¿½We are glad that he shared his love for fishing and the outdoors with us.

He is the only grandfather that our kids ever knew and they will always remember him fondly. They have some good stories of their time with him when they were younger.

We will miss him greatly and he will be in our prayers always.

Barb, we thank you for the wonderful care that you extended to him over the years. i¿½You were good for one another.

Sincerly,

Dene and Gary Wasetis
