“ Frank was a wonderful person who took great care of his wife, children and parents. I got to meet him a few times after I married into the family both before and after my husband died. The last time I saw him was in Reno with Camille and his mother and his nephew David. We had drinks and dinner and it was very festive and noisy and Frank made sure we all enjoyed ourselves. My heart goes out to Camille , Sandy , Cheryl , Liz and George and the rest of the big family that loved him.
