Tribute Wall

“ *My name is Diana. I live in Reddick. I know at this time you are grieving for your lose and I pray for strength for all your family. The reason I send my prayers to you is because I went through the same years ago when I lose my Grandfather, Louie Monderdini,who came from Italy,and was a farmer in the Essex area. I would love to talk to someone but not at this time. My prayers go out to all for the strength and courage to grieve and then to live strong. I hope to hear from someone in the near future.*
