“ *I just went back to work yesterday and found out about Frank's passing. I am so sorry for your loss. It was an honor to care for your father. What a wonderful man. Never an angry remark. Always happy/content. Loved to sit outside in the sun when it was warm. I will truly miss him. I will also miss Sandy, who came almost every evening to see her father. What dedicated and loving children he raised. You are all very lucky to have had him in your lives. I feel lucky to have known him also. You are all in my prayers.*
