“ I was so saddened to hear about Frankie's death. I am currently out of town and will not be able to make the services for her. Please know that you all are in my prayers. I was telling my son today some of my favorite memories of Frankie. When I would spend the night with Diana in grade school, I would just love to go into Frankie's bedroom. It was so beautiful, and she had Elvis' picture everywhere!! I also remember the beautiful ballerina picture of her.

Again, sending my sympathies to all of you-

“ Our hearts are broken over the passing of Frankie. While we always look forward to seeing everyone on our trips to Kankakee, Frankie & Mac were two of our favorite people & we especially enjoyed seeing them. During our visit this past June, we were sad over Mac's not being there, but really enjoyed spending some time with Frankie. We were delighted to see her doing so well and adjusting to her new life without Mac. While we know that Frankie will be missed terribly by her family & friends, may they find comfort in knowing that she was greeted by Mac with a huge smile on his face as they begin their eternal lives together.##imported-begin##Charlotte Gattis & Wylie Nowman##imported-end##
