“ *I remember what a great athlete Fred was when we were growing up. He was 2 years older and that much better but he always made me welcome when I got to play ball with him. I know being with Pam this many years was the best ever for him and Pam with him. Fred was truly bone of the "good guys".*

“ *Freddie always used to have what we in Cajun country call "Kah Nahy" meaning mischievous. He knew the right time to pull his "Kah Nahy". Loved you Fred even if we weren't part of your daily life! Our class reunions were always special! You and Jack have fun together!*
