“ *Our favorite memories of Freeman would probably be the canoe trips every July. It just made you grin to see him come paddling up with that big ol' golf umbrella set up behind his chair, one of his big ol' hats(and we do mean BIG!), and the biggest thing of all was that big ol' smile when he spotted you. We're better for having known him and we'll have him watching over us in July this year, smiling.....We love you Freeman, and the loving legacy you've left for your children, family, and friends.
Until we meet again, Terry & Diane*

“ I have known Freeman for 8yrs. He has been like a 2nd father to me&Jeanie is like my 2nd mother. His kids mean the world to me&I'm going to be here with them every step of the way to get through this difficult time. We all loved Freeman soo much&it is hard to see him go without saying good-bye, but he will always be in a hearts&prayers. He always made everybody's day. He spread so much joy no matter if it was in bad or good times, he was always there for whoever. And that's what we are all going to miss about him. I promise that I'm going to take care of his family&help them out. You will be dearly missed, buh one sweet day we will meet again. R.I.P FREEMAN MCGEE.
