“ We think of Gary often and are still so sad to hear of his passing. Gary was a very intelligent, kind, and special person. He help my mom to understand her taxes during retirement and had been tax advisor for my husband and I for many years. He was always sure to share some of his neat, light up pens with our 2 young children. We always looked forward to meeting with Gary and will always miss him. He was a very special, compassionate, thorough, graceful, thoughtful, kind professional friend. Gary is thought of not only during tax season, but ALWAYS. We miss him, and our hearts 💕 go out to his love. He spoke of you often.

“ Very sorry about Gary's passing. I have known him since meeting him at ECC and have shared many good times together. Will always remember our get togethers at the Walnut Inn in Elgin each year in April, and it was special that he made the trip from Kankakee to Genoa for my 70th birthday, even more special that he wore a Trump shirt. He will be missed by many.

“ "Cuz"

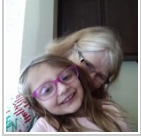

Thanks for a life time of memories. The many Chess games, hunting trips, even double dating. The years of "Youth Group" work which also included your time as president of the club.

Later in life I enjoyed the many stories we would relive, taking your mother to Dinner when we were both visiting Cortland, and enjoying a beer together. Also a big thank you for maintaining my grandparents graves for many, many years.

You will be missed!
