“ It saddens us about Gary. Our family knew him very well. Randy, our son, was a close friend with Gary when they were teenagers. He came to our house all the time. When we think of Gary, it brings back a lot of memories. That is how we will always remember him. Our sympathy goes out to all of your family.##imported-begin##Larry & Marlene Heagle##imported-end##

“ I remember Gary when he lived in the subdivision (by the airport)and he was friends with my brother Randy. I know he was a good friend to him back then and that we have a lot of fun stories about him that would make anyone laugh. He will be missed, but he holds a place in our hearts. Deep down he had a good heart... I know some couldn't see past that in his choices at times, but we could. My prayers go out to your family on this loss.##imported-begin##NULL##imported-end##
