“ Just heard about Gen's passing and am saddened. ĩĵ½She was the ultimate professional in Patient Financial Services and I had the opportunity to work with her for many years. ĩĵ½I was a charter member when she organized and founded the Illinois Chapter of AGPAM in 1981 and that organization continues today with over 150 members from the entire State of Illinois. ĩĵ½Gen will be remembered as our founder and mentor to many who strived for professional certification. ĩĵ½Peace be to her memory.##imported-begin##Bob Anderson##imported-end##
