“ George will never be forgotten. He always had a smile on his face and a twinkle in his eye. Gone too soon and loved by many.

“ Dad, thank you for all the wonderful, philosophical conversations. Thank you for the gift of life, shelter, food and and education, and a lot of laughs! Thank you for exposing me to big band music and taking me and my friends to many, many White Sox games. Thanks for teaching me how to tie a fishing hook knot and steel leader and how to wheel a trifecta. You often said I was your favorite son. You are definitely my favorite Dad! Thanks for everything! God bless you! Love, Doug

“ John and I were very sad to hear that George had died. We so enjoyed speaking with George and John especially enjoyed the jabs about sports teams! George seemed to love his family dearly and he was so fun to be around. Terri and all the family will be in our prayers at this difficult time. May George through the mercy of God rest in peace. Amen.

“ *In your sadness, hold on to the thought that a life lived with so much love never ends, but goes on forever in the hearts of those who remember. I will always remember our Friday morning chats, laughs, & stories that we shared when volunteering at the hospital.*
